

HATE CRIME FACTS AND PREVENTION

HATE HAS NO PLACE IN DEDHAM

WHAT IS A HATE CRIME?

Massachusetts General Law defines a Hate Crime as any criminal act coupled with overt actions motivated by bigotry and bias including, but not limited to, a threatened, attempted or completed overt act motivated at least in part by racial, religious, ethnic, handicap, gender, gender identity or sexual orientation prejudice, or which otherwise deprives another person of his constitutional rights by threats, intimidation or coercion, or which seek to interfere with or disrupt a person's exercise of constitutional rights through harassment or intimidation.

WHAT IS HATE SPEECH?

Hate speech is defined by Black's Law Dictionary (10th ed., 2014) as: "Speech that carries no meaning other than the expression of hatred for some group, such as a particular race, esp. in circumstances in which the communication is likely to provoke violence."

While offensive, hate speech by itself is protected by the First Amendment in the United States Constitution. When the freedom of speech may transition from a protected freedom of expression to a hate crime can be confusing. When such speech is coupled with a criminal act such as threats, assault, etc., the act becomes a hate crime.

WHAT IS THE DEPARTMENT POLICY RELATED TO HATE CRIMES?

All personnel are committed to safeguard the state and federal civil rights of all individuals irrespective of their race, national origin, religion, ethnicity, disability, sexual orientation, gender or gender identity. Hate crimes are viewed very seriously and will be given high priority.
