

Insurance Carrier Information

When making insurance enrollment decisions, always consult your healthcare provider and ensure they are within the specific plan's network or click the "Find a Provider" link below. You may also reach out to the insurance carriers directly, via the Member Services number below, to ask specific coverage questions under the plans offered by the Town. Mention that you are a "prospective member" and be ready to reference the specific Group Number as specified below. If you need further assistance or clarification, please reach out to your HR Department and we may be able get further information from our Insurance Account Representative on your behalf.
